

NOTICE OF REGATTA

COWES WEEK 2022

30 JULY - 5 AUGUST

WELCOME

FROM LAURENCE MEAD - REGATTA DIRECTOR, COWES WEEK LIMITED

On behalf of the team at Cowes Week, I am delighted to be able to publish the Notice of Regatta for Cowes Week 2022. After a difficult year planning the regatta during the COVID pandemic, we have already made great progress towards this year's event, with small teams meeting regularly to make sure that we take forward the learnings from 2021 so we can run the very best event possible this summer. Hundreds of names go onto the manning list, and one of our goals this year is to have more small-team training and to get that done earlier in the season.

On the water we will run a very similar regatta to 2021, with more starts from the Royal Yacht Squadron line. The five minute start sequence went very smoothly, as did the added flexibility afforded by renaming the Bramble Start Line to Committee Vessel One.

We have retained the Sportsboat class and propose to once again merge it with some of the lighter displacement J/Boats from the IRC entries to form a new class, which worked well in 2021. We have also added a class for Sonata one designs, and it is great to see these boats back being raced enthusiastically by their owners, both young and old alike.

Winning your class at Cowes Week, no matter which it is, remains both challenging and rewarding, and while the recently introduced Club Cruiser division is of course less competitive than IRC class 1, it brings new people into racing, some of whom will go on to make their way into other higher performance boats.

One of the key objectives of the Regatta is to maintain international participation. For racers of a certain age, the Admiral's Cup was of course the ultimate international big boat event, one that drew people to Cowes Week every two years. Unfortunately, the Admiral's Cup fell victim to a range of different pressures, but in 2019 there were still sailors from over 100 yacht clubs and 19 different countries competing at Cowes Week.

The Solent Team Trophy, introduced a few years ago, is competed for by yacht clubs and national teams, with the Royal London Yacht Club winning the 2021 trophy, ahead of a very strong Royal Yacht Squadron team. We would like to make this a more international trophy in the future and would be happy to assist with charter boats for overseas teams who want to compete.

The Cowes Week opening party in 2021 was a great success and will be back again in 2022 with DJ Mark Covell on the decks as will the overall prize-giving, taking place on Friday 5 August.

We look forward to welcoming you to Cowes and to the Isle of Wight for seven days of world-class regatta racing on 30 July 2022.

Laurence Mead & the Cowes Week Team.

2.1 Sentences in *italics* within this Notice of Regatta are guidance notes for information only.

2.2 Racing will be governed by the 'rules' as defined in the Racing Rules of Sailing 2021 – 2024 (RRS), with Royal Yachting Association (RYA) prescriptions, the Notice of Regatta and as appropriate:

- a. For boats racing under IRC, IRC Rules Parts A, B & C except that:
 - i. The use of one spare mainsail is allowed during the regatta and need not be carried onboard at other times.
 - ii. For the purposes of IRC 21.1.5, this is a regatta run on consecutive days (so the sails on board while racing must remain the same throughout, apart from the mainsail).
 - iii. Class Rules for one-design entries, including crew limits (if any).
- b. Island Sailing Club Rating System for Performance and Club Cruiser classes.

Copies of the relevant RYA prescriptions will be included with the Sailing Instructions, available online on Friday 1 July 2022. Online documents and information are available on the Official Website at www.cowesweek.co.uk.

2.3 Safety regulations

2.3.1 Black Group (see Table 2)

Boats shall comply with the World Sailing Offshore Special Regulations for Race Category 4 Monohulls except that:

- b. Delete paragraph 5.01.1 and replace with: "Each crew member shall have a lifejacket in accordance with ISO 12402 – 3 (Level 150) or equivalent, including EN 396 or UL 1180, clearly marked with the boat's or wearers name, and if inflatable, shall have a gas inflation system and have crotch /thigh straps."
- c. Boats will not be required to carry a storm trysail nor need to be able to reef to 40% of their luff length, but must be able to reduce sail in a seaman like manner.
- d. For boats in the Sunsail 41.0 class, Sunsail UK will decide on the allowable sail plan for each day of racing. This sail plan will be displayed on the Sunsail Noticeboard at Cowes Yacht Haven by 09:00 each day.

2.3.2 White Group Classes (see Table 3)

- a. Boats shall comply with their class safety regulations (if any) and with the current CWL Safety Regulations for Dayboat Classes.
- b. Boats shall carry:
 - i. A marine band VHF transceiver.
 - ii. Visual means of attracting attention when in distress

Copies of the CWL Safety Regulations will be obtainable online at the Official Website at www.cowesweek.co.uk and will be included in the 2022 Safety Guide.

2.3.3 All Boats

Anchors shall not be carried forward of the stem or with any part outboard, except when anchoring.

2.4 Changes to the Racing Rules of Sailing & Rating Rules

2.4.1 Changes to the RRS and Rating Rules are as detailed in the Notice of Regatta or in the Sailing Instructions. This changes RRS J1.3(1).

2.4.2 Alternative penalties (in the form of a scoring penalty) will apply to infringements of RRS Part 2 and 31, as detailed in the Sailing Instructions. A yellow flag will be required.

2.5 Equipment inspection

2.5.1 Officials from the Race Committee may inspect boats at any time during the regatta.

2.5.2 A boat that is found to be in contravention of the safety regulations or class rules or fails to comply with any reasonable request of an official scrutineer may be protested by the Race Committee.

2.6 Tracking

For safety and race management purposes, boats shall carry and use CWL approved tracking devices, which shall be as follows:

- a. An AIS transponder. Competitors shall use their best endeavours to ensure that the AIS device is switched on and transmitting at least once every 5 seconds; or
- b. A compatible mobile device running the Cowes Week App (see clause 5). Competitors shall use their best endeavours to ensure that their boat has one or more such devices onboard and operating.

3 ELIGIBILITY

3.1 It is intended that the regatta will be open to boats and classes listed in Tables 2 & 3, subject to the eligibility requirements listed below and in those tables.

3.1.1 CWL reserves the right to:

- a. Combine the start of one class with another.
- b. Subdivide any class. *Black Group IRC and Performance Cruiser fleets will be split during July into classes based on rating, or exceptionally for other reasons, depending on the number of entries received.*
- c. Cancel racing for any class or amalgamate classes if the number of entries is less than ten.

3.2 One-design boats

Boats in one-design classes listed in Table 2 or Table 3 will not normally be permitted to race in a rated class. A request for dispensation from this rule must be made in writing by 27 July 2022 and will be considered by CWL whose decision shall be final.

3.3 Sportsboats

3.3.1 Sportsboats that are not eligible for a one-design class should obtain an IRC Rating Certificate and comply with 2.3.2 and the following.

- a. A valid 2022 IRC rating of 1.150 or less.
- b. A Maximum Length (HL) of 8.50 metres.
- c. A displacement to length ratio (DLR) of 160 or less.

3.3.2 Boats outside these limits may be accepted at the sole discretion of CWL.

3.3.3 Sportsboats will race in White Group. *Depending on the number of entries received, boats entered in this class may instead be allocated to a suitable IRC class within Black Group, as in 2021. In this case Sportsboats will continue to fall under White Group safety regulations.*

3.4 Ratings and rating changes

3.4.1 IRC and ISCRS

Boats racing under IRC or ISCRS shall have a valid rating. Ratings may be obtained as follows:

- a. For IRC ratings in the UK, contact the RORC Rating Office at: www.rorcrating.com
- b. For ISCRS ratings, contact the Regatta Office in the first instance.

3.4.2 New ratings or changes to a rating (except daily entries) will not be accepted after 1700 on Wednesday 27th July 2022 unless the change is:

- a. Due to an error made by CWL, RORC, UNCL or ISC. In this case, the rating shall be corrected for all races. For errors made by CWL where a rating would drop if corrected, boats must request a correction within 24 hours of registration (when they receive a list of entries and ratings).
- b. As the result of a rating protest, when the RRS rules dealing with decisions on measurement protests will apply, together with the rules applicable to the rating system.
- c. At the discretion of CWL with the agreement of RORC, UNCL or ISC as appropriate.

3.5 Crew numbers

3.5.1 Due to the COVID-19 pandemic, crew restrictions may be imposed by CWL to comply with the letter and spirit of government and RYA rules and guidance (if any) current at the time of the Regatta. Subject to that, and except as detailed in clause 3.5.3, there will be no further restrictions on crew numbers or crew changes during the regatta.

3.5.2 Subject to clause 3.5.1, for boats racing in IRC classes, IRC rule 22.4 shall not apply and there will be no limitations on crew numbers.

3.5.3 A boat racing in a one-design class shall comply with her class crew limitations, as modified by the class association for Cowes Week, if appropriate.

3.5.4 Accredited journalists, photographers or cameramen who are not regular crew members may join and/or leave a boat at any time and by any means so long as their doing so does not directly affect another competitor and they play no part in the racing of the boat. This changes RRS 48.2.

3.6 Crew List

3.6.1 Prior to the start of the regatta, every boat shall provide CWL with a completed Crew List using the online entry system on the Official Website. A boat shall not sail with a crew member who has not provided their personal and emergency contact details to CWL.

3.6.2 Entrants are required to take all reasonable steps to ensure that the crew information is accurate.

3.6.3 Changes to crew information made during the regatta should be notified to the emergency contact described in clause 3.7.

3.7 Shorewatch

Prior to racing, each entrant is required to supply CWL with details of a Shorewatch person who shall keep an accurate record of the crew members sailing on the boat on each day. This contact information will only be used in the event of an emergency and will not be held by CWL beyond one month after the conclusion of the regatta.

4.1 Entry Procedure

4.1.1 All entrants (except as detailed in clause 4.1.4) should enter online at the Official Website.

 - b. by text messages to a single mobile telephone number that has been registered to the boat as part of the entry process.
- 5.2 Mobile telephones shall also be used by competitors to declare at the end of each day's racing, either via the Cowes Week App or by text message from the registered number above.
- 5.3 The Cowes Week App may additionally be used as a tracking device (see clause 2.6).
- 5.4 If a registered telephone for text messages becomes unusable, a new number can be registered at no cost, up to 20:00 on the day before the new number is to be used.

Competitors are advised to use the Cowes Week App rather than text messaging where possible, as this provides a more comprehensive and easy-to-use service. For competitors using text messaging, it is recommended that a UK based service provider is used so that competitors receive messages in a timely manner.

10.1.2 Scoring and abbreviations will be in accordance with RRS Appendix A unless amended below or in the Sailing Instructions.

10.1.3 For Rated Classes in the Black Group (Table 2A) when six or more races have been completed, a boat's series score will be the total of her race scores excluding her worst score. When five or fewer races have been completed, a boat's series score will be the total of her race scores.

10.1.4 For White Group (Table 3) and other Black Group classes (Table 2B) the races to count for a boat's series score will be determined by CWL in conjunction with the relevant class associations. Class associations wishing to request specific scoring should apply in writing to the CWL Regatta Director.

10.1.5 All scoring details including discards will be published in the Sailing Instructions.

It should be noted that trophies awarded by individual class associations may use a different system of races and discards as may be determined by the class.

10.2 Black and White Group cross-class points series

For all trophies that require scoring across more than one class:

a. Scoring will be in accordance with RRS Appendix A, except as amended below.

b. Races that are abandoned will be scored in accordance with RRS A9(a) for the boat in question.

c. Boats that have completed fewer than five races will not be eligible for the series.

d. A boat's series score will be the total of her seven race scores excluding her worst score and multiplied by a Class Weighting Factor (to recognise the added difficulty of achieving a particular position in a larger fleet).

- e. The Class Weighting Factor for each boat will be: 10 divided by the square root of (N+17), where N is defined as the number of boats in her class entered for at least five races (as at 18:00 on Friday 29 July).
- f. When more than one race is completed on a day, a boat's score for that day will be the average of the individual race scores.

10.3 Additional results listing

Class associations wishing to request this option should apply in writing to the CWL Regatta Director.

12.2 Class Flags

15 RISK STATEMENT

Rule 3 of the RRS states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- a. They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- b. They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- c. They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- d. Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e. The provision of a race management team, patrol boats and other officials and volunteers does not relieve them of their own responsibilities;
- f. The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
- g. It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefings held for the event.
- h. They are responsible for ensuring that their boat is equipped and seaworthy so as to face all weather conditions that might be experienced during the event, that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.

16 INSURANCE

The boat is required to hold adequate insurance and in particular to hold insurance against third party claims including cover for racing in the sum of at least £3,000,000 sterling (or near equivalent in foreign currency).

By entering, entrants declare that such cover will be maintained in full force throughout the regatta and agree to allow CWL, at its discretion, to pass on their contact details to third party insurers in the event of a possible insurance claim.

17 RYA CHARTER

Competitors should note that Cowes Week Limited implement the RYA Racing Charter and that competitors will be required to undertake to sail in compliance with the Charter, which can be found at the front of the RYA rule book (Racing Rules of Sailing 2021 - 2024) or at www.rya.org.uk/racing/rules/racing-charter.
